The importance of international business ethics has been rising steadily along with the growth of international business. Technologies like the Internet have made international business all the more viable, and many companies can only find the desirable growth and profit they seek by expanding into new markets. In addition to the social, ethical, and international contexts I have incorporated in previous editions of Business Law, this edition adds coverage and emphasis on the Internet and entrepreneurship as two vital catalysts to the law and a key part of its tokiohotelhu.coms: 1. Business Law: The Ethical, Global, and E-Commerce Environment Fifteenth 15th Edition - International Edition Feb 1, by Jane P. Mallor and A. James Barnes. Business Law. Business law, or commercial law, is the body of law that relates to trade and commerce, banking and investments, contracts, marketing and advertising, incorporation and corporate structure, and finance and collections.
