Lebbady excavates the richness of feminine culture in Tetouan, delineating the important political roles that women played there and contextualizing the tales in the larger corpus of Andalusian song. Lebbady s book is an important contribution to feminist scholarship, as well as to studies of oral literature in North Africa and elsewhere. This book introduces seven Andalus-Moroccan womens tales, analyzes them from literary theoretical perspectives, and reveals them to be vitally feminist. These tales were collected in Tetouan in northern Morocco and few have ever been translated into English. The protagonists, typically Muslim 3/5(1).
